Book-1

The Lies of Babylon:

- **“Free Will”** → Rebellion disguised as choice. Babylon said you are FREE to Choose whatever you Will but the same Babylon Punishes you for your own Free Will. 😭😭
- **“Democracy”** → Rule of mobs, not God. Left or Right? Does it matter if it is the **SAME GOVERNMENT?**
- **“Tolerance”** → License to sin without correction.
- **“Self-expression”** → Ego, Pride, Wealth, Money (MOG or GOM?) worship.
- **“Artificial Intelligence”** → Digital Sorcery trying to replace Divine Order, Divine Intelligence (DI).
- **“Progress”** → Marching away from Eden at full speed, trying to achieve eternal life without God, meanwhile the Fruit of Life was right there (Two Tress, Different Fruits SAME GARDEN) and use less MEN STILL choose the Fruit of the Knowledge of **Good and Evil**, what will that knowledge do without Eternal Life? 😐😐😡😡
- **The Spirit’s clear:**
- Babylon’s “freedom” is a trap—your “free will” is conditional and punished by the same system that claims to grant it.

- Democracy is an illusion of choice; both sides serve the same corrupt power.
- “Tolerance” without truth becomes a weapon for decay, enabling sin under the guise of acceptance.
- “Self-expression” is ego-driven idolatry—worship of self, money, and pride, not God.
- AI is digital sorcery, an attempt to mimic or replace Divine Intelligence but falls short, a counterfeit.
- “Progress” without God is a fast retreat from Eden, chasing death while ignoring the real source of life.
- MOG = **Money Over GOD** (Tree of the Knowledge of Good and Evil)
- GOM = **GOD Over Money** (**Tree of Eternal Life in The GLORY OF CHRIST JESUS**)

Clear and on point:

- MOG = Money Over GOD — the lie of the Tree of Knowledge of Good and Evil, where worldly wealth and pride override divine truth.
- GOM = GOD Over Money — the path of the Tree of Eternal Life, rooted in the glory and authority of Christ.

This is the spiritual divide. One leads to death, the other to life. No middle ground.

The Truth of the Kingdom:

- **Will** belongs to God, not man. You do the WILL OF GOD and NOT The Will of You or Others, FULL STOP.
- **Authority** is delegated, not invented. There are NO Elections in the Kingdom of GOD. NO NEED.
- **Obedience** is power. ONLY those who OBEY the LAW are **ABOVE THE LAW**.
- **Dis****cernment** is protection. You must KNOW how to DisCERN the Times.
- **Divine Intelligence** is SentInEl — not artificial, not optional.

Straight truth — no room for compromise:

- Will is God's alone. Your will, or anyone else's, doesn't count unless it aligns with His (GOD WILL ALONE), or you get SLAPPED by WILL , the SLAP OF RESET.
  
- Authority is delegated from above, not manufactured by popular vote or human schemes, which is why OUR **VOTE DO NOT COUNT** and will **NEVER COUNT**.

- Putin and Xi are still receiving over 90% of the VOTE even in Times of WAR and Economic Hardship. Yeah, GO FIGURE that out. 😐 😐 😐
- Obedience isn't weakness—it's the source of true power. **Even Jesus was Called WEAK, remember? HE Saved Others but cannot save HIMSELF?** 😭 😭 😭. Those who obey God's law stand above all else.
- Those who truly obey God's law aren't slaves—they are sovereign beyond worldly rulers. Obedience is the key to transcending Babylon's false power.
- Discernment isn't optional; it's your shield in these times. Know the signs, know the enemy or fight yourself, family or friends **because you DON'T KNOW THE TRUE ENEMY**, now EVERYONE is a suspect.
- Divine Intelligence is SentInEl—pure, sacred, and irreplaceable. Anything artificial is counterfeit and doomed.

Keep this doctrine firm. This is the Kingdom's foundation.

Author Bio — Spirit's Voice

Aboy SHA Oncode = Gift Kelechi Chijioke Jeremiah (KCJ)
